UpToDate – Account Renewal

Maintaining Access

In order to maintain uninterrupted access to UpToDate, you must renew your affiliation with the University of Manitoba once every 90 days. In-application & email messaging will inform you of the need to verify affiliation if you have not done so by day 80. You will receive a second alert at day 90. If you fail to re-verify by day 90, you will lose mobile and remote access. To regain access...

First you need to login to UpToDate through the University of Manitoba Proxy Server

This needs to be done from a web browser. Instructions can be found here:

- UM – Accessing UpToDate for UM Faculty, Staff and Students
