BLOOMBERG ECONOMICS FOR CANADA

CANADA DATA EXPANSION
Bloomberg has over 22,800 tickers which span across more than 100 concepts and include sources such as Statistics Canada (16,000+ tickers), IMF (1,600+), OECD (750+), Bank for International Settlements (500+), Bank of Canada (390) and many more.

In 2013, Bloomberg added over 11,000 Canadian tickers. Our focus this year is to continue to aggressively expand our content with a heavy focus on international trade and balance of payments, the labor market, personal/household sector, national accounts, and government finance and debt.
