Tools to Explore and Select Scholarly Sources

1. Library Databases that are Useful for Your Project.
2. Some Tips for Searching & Browsing Potential Sources.

Next Week:

How to Document the Sources You Use in a Paper.
What is an Annotated Bibliography?
Intersectional Paper Proposal

• Explore and reflect your experiences (identity, oppression, privilege, relationship, power, etc.) with the concept of "intersectionality"

• Draw and organize your thinking and reflections in light of selected scholarly sources.

• What are they saying? How are they relevant to the course's themes?

• Do they resonate with your experiences or not?

Mapping the Margins: Intersectionality, Identity Politics, and Violence against Women of Color

Kimberle Crenshaw

INTRODUCTION

Over the last two decades, women have organized against the almost routine violence that shapes their lives.\(^1\) Drawing from the strength of shared experience, women have recognized that the political demands of millions speak more powerfully than the pleas of a few isolated voices. This politicization in turn has transformed the way we understand violence against women. For example, battering and rape, once seen as private (family matters) and aberrational (errant sexual aggression), are now largely recognized as part of a broad-scale system of domination that affects women as a class.\(^2\) This process of recognizing as social and systemic what was for-
